Marie-Gabrielle Ménard

Member of Parliament for Hochelaga—Rosemont—Est

Dear fellow citizens of Hochelaga—Rosemont—Est: thank you!

On April 28, you placed your trust in me to carry your voices to Ottawa, defend your concerns and celebrate your achievements. What an honour!

And what a responsibility.

I pledge to serve you with heart, rigour and the energy that defines me.

As a proud Montrealer, I have spent the past 20 years devoted to arts and culture. As an artist, producer and radio host, I have used my curiosity, sensitivity and voice to serve different communities.

I am an experienced communicator, a woman of heart and action and an inspired leader who is both warm and determined to strengthen the social,

sports, cultural and economic life of Hochelaga—Rosemont—Est. I know our local issues and realities well, and my approach will be one of unity. I hold deep respect for the many community organizations that are the heartbeat of our neighbourhood, each contributing to the vitality and uniqueness of our riding. I cannot wait to begin this work alongside you.

Throughout the campaign, you shared your concerns about affordable housing and access to services, the need for Hochelaga—Rosemont—Est to be better served by public transit, and the desire for neighbourhood green spaces. I have heard you.

My priorities will be to support families, youth and seniors; expand affordable housing; strengthen our social safety net; combat food insecurity; promote our culture; defend women's rights; and protect the environment.

My team and I will always be accessible, ready to listen and committed to supporting you. Please do not hesitate to reach out.

Once again, thank you, Hochelaga—Rosemont—Est, for your trust.

I wish you a joyful start to summer, and I look forward to seeing you out in our neighbourhood!
